

A black spiral-bound notebook is shown from a top-down perspective, lying on a wooden surface. A teal banner with a deckled edge is pasted across the middle. The words "Playing outside" are written in white cursive on the banner. To the left of the banner is a circular sticker with a yellow polka-dot background and a red heart. Above the banner is a small piece of white paper with yellow star patterns. To the right of the banner is a red and yellow pinwheel. A piece of twine is tied in a bow on the right side of the notebook. In the bottom right corner, there is a circular logo for Coburg North Primary School.

# Playing outside

Before I go outside my teacher will remind me to put my hat and sunscreen on before I go out to play.

Then I will go outside to play with my friends. There are lots of different places I can play in.

I can play in the sandpit.

I can play on the slide.

I can play on the monkey bars.

If I need help I can ask a yard duty teacher. The yard duty teacher is the teacher with the orange or the yellow vest.

At the end of recess and lunch there will be music. When I hear the music I will go to the toilet and get a drink.

After I have gone to the toilet I will go back to my classroom. I line up at the door and wait for my teacher.
