MISSION

Provide students with the best possible foundation in life through a well-rounded education.

OBJECTIVE

Coburg North Primary School's objective is to:

Ensure all students leave our school with a practical understanding of the curriculum.

VALUES

At Coburg North Primary School, we are inclusive and believe all students, teachers and parents/carers have the right to learn and be safe and comfortable. We believe that by being RESPECTFUL, RESILIENT and RESPONSIBLE we can succeed and thrive as a school community.

RESPECT: Treat others as you would like them to be treated.

Treating others as we would like to be treated; listening to each other, showing positive body language and using our words thoughtfully. When we are being respectful to others, we are making sure everyone feels included in our school community.

RESPONSIBILITY: Behaving sensibly and making good choices on your own.

Allowing everyone the right to feel safe and comfortable and work as much as possible. It is being honest by taking ownership of our actions and choices during learning and play. It is taking care of each other, our resources and our school.

RESILIENCE: Bouncing back after experiencing difficult situations.

We will keep trying by finding different strategies to help us build our personal strengths. It is understanding that things will not always go our way and that is okay.
