

GATEWAYS JOURNEYS

SUNSHINE WEST		
<p>Venue: St Paul's Primary School</p> <p>Mondays: Mondays: 20 April, 4, 11 May 9:30am - 12 noon 11 May 9.30am – 3.15pm</p> <p>Note: No session on 27 April 11 May will be a full day program.</p> <p style="text-align: center;">Letter of Invitation</p>		
Years 1 & 2	<p>Jurassic Engineers Reporting for Duty</p> <p><i>Become a technical specialist in a palaeontologist team. Discover intriguing facts about the age of dinosaurs then build and program a working LEGO model of a prehistoric plant or animal each week.</i></p>	Parent Expression of Interest
Years 3 & 4	<p>Sensational Sport</p> <p><i>Review the basic physiology of our bodies. Look at reflexes, heart rate, measurements of performance and the biomechanics of muscle. Investigate changes in technological innovation using very familiar equipment, bicycles and balls!</i></p>	Parent Expression of Interest
Years 5 & 6	<p>Predator</p> <p><i>Become a zoologist and study predators in a scientific way. Draw some of the animals we study, to better understand what features they have that make them hunters. Our drawings will need to be scientifically accurate and precise.</i></p>	Parent Expression of Interest
