Fridays 24 April, 1, 8, 15 May
 9:30am - 12 noon
 Year 1/2 Program Dates: 1, 8, 15, 22 May
[Letter of Invitation](#)

Years 1 & 2	<p style="text-align: center;"><u>Who's Got Mail</u></p> <p><i>Enter the busy world of the mail centre as we create mail to deliver including postcards, invitations, books, notes, posters and advertising material and then compile these into our own mini book inspired by 'The Jolly Postman'.</i></p>	Parent Expression of Interest
Years 3 & 4	<p style="text-align: center;"><u>Cool and Creepy Critters</u></p> <p><i>Some insect and spider adaptations are exquisite. Join us as we look at the science behind how some insects walk on water, jump, walk upside down, make music and even glow in the dark!</i></p>	Parent Expression of Interest
Years 5 & 6	<p style="text-align: center;"><u>The Ultimate Lego Tour of the Universe</u></p> <p><i>Journey into the world of particle physics using Lego for a hands-on look at some of the hidden secrets of the Universe including the Big Bang, formation of heavy elements, radioactivity and nuclear fusion and fission.</i></p>	Parent Expression of Interest
