

We would like to acknowledge the Wurundjeri People as the Traditional owners of the land that we meet on, and we pay our respects to the Elders, past, present and emerging.

Week 7 - The Environment

This week the children explored all aspects of the Environment around us. It followed on from discussions we had in a previous week about why some animals are becoming endangered. The topics that we covered were, World Environment Day, Space, Recycling, World Ocean Day and Gardening/Worms and Compost. The children embraced all topics, creating an amazing Ocean collage and space puppets and on the Friday finished with planting a seed.

Week 8 - 5 Senses Week

It was a short week as we celebrated our first ever King's Birthday Public Holiday. The rest of the week though was lots of fun and very busy! All week we talked about the five senses and how they work (or in some cases may not work so well) and how we use them. This has led to lots of fun and games, from making sensory toys, finger painting, using our taste and our ears in fun activities.

Holiday Program is fast approaching ...

We are now just a week away from the Holiday program, and with lots of fun incursions and excursions planned, as well as in house activities, can you afford NOT to send your children? Please jump online at www.theircare.com.au to be able to view the Holiday Program Flyer, once you have decided it is simple as popping onto the parent portal to book your required days.
See you there!

Bookings for the Holiday Program and Term 3 are open!

TIMES

Before School: 7.00 am - 8.50 am
After School: 3.30 pm - 6.00 pm
Holidays: 7.00 am - 6.00 pm
