

We would like to acknowledge the traditional owners of the land that we meet on, and pay our respects to the Elders, past, present and emerging.

Week 5 - Art your way!

This week was all about art, and how it works for the children. Some see art in building sculptures, some in drawing and coloring others in using recycle boxes. We took advantage of the warm weather and even did art outside! The Grade 4s were on camp for some of the week so it was a little quiet from Wednesday to Friday!

Week 6 - Science Week

It was National Science week this week, so the children got to try a new experiment each day. We got the children to predict what may happen. They saw if water could walk. If celery could change colour and to see if they could grow their own gummy bear! They really enjoyed making their own indoor shaving foam rainclouds too! It was a very busy and fun packed week.

The holidays are less than 5 weeks away!

The holiday program is now ready for you to jump online and book. There are fun excursions and incursions. Don't forget that the second week on the Friday is a Public Holiday and we will not be operating!

Holiday Bookings are open ... book now!

TIMES

Before School: 7.00 am - 8.50 am
After School: 3. 30 pm - 6.00 pm
Holidays: 7.00 am - 6.00 pm
