

We acknowledge the traditional owners of the land that we meet upon, and we pay our respects to the Elders, past, present and emerging.

Week 7 - Book Week

In line with the National Book Week we planned with the children a packed program. This of course finished on Friday with the Book Parade. There were so many amazing costumes and the children looked amazing. During the week we had fun with book themed activities, word searches, arts and crafts and of course sharing the stories and books that are special to us.

Week 8 - Father's Day and Special Persons Week

At TheirCare we recognise that all families are different, and we acknowledge that on weeks like this. The children shared with us who was there special person, some were dads, some mums and of course grandparents too. With this in mind the week was made up of us creating cards and gifts and hearing all about the children's families and what they love doing with the special people in their life.
