Hello Foundation students. Welcome to Coburg North Primary School. Next year, this is where you will be starting your first year of school. You are going to make lots of friends and learn exciting new skills here.

There are three Foundation teachers. You will get to meet them before you start school. We are all super excited to meet you.

These are the Foundation classrooms where you will do your learning. We learn about reading, writing, maths, inquiry and discover lots of new games to play together.

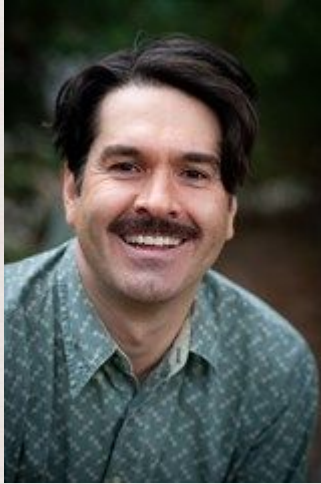

These are the tables you sit at when you do your learning. You also will sit on the floor mat for circle time, story time and when your teacher is explaining things to the class. You will learn lots of great learning games in your classroom.

We have this amazing library with lots of wonderful books to read. You will visit the library once a week to explore all the books.

We celebrate all the amazing and wonderful learning that happens in the class and give out some special awards.

All the Foundation teachers are looking forward to having you in our classrooms to do some fun and wonderful learning together. See you soon!
